- Qualitative Data:

Descriptions of experiences, reflections, and insights offer context and depth to the intern's development journey.

- Ability to work independently.

These metrics can be quantitatively tracked over time.

Feedback and Continuous Improvement

Regular review of weekly reports allows supervisors to:

- Provide constructive feedback.

- Recognize achievements and motivate continued effort.

This cyclical process ensures the OJT remains relevant and effective.

Assessing Soft Skills Development

Besides technical skills, reports can indicate growth in soft skills such as communication, teamwork, problem-solving, and adaptability. For example, reflections on team interactions or conflict resolution demonstrate interpersonal development.
